At the end of January a group of level 3 students went to the production of 'Grease' at Congleton High School. They produced some fab work on lads and girls. It was hard work over the three nights but well worth it.

## Open evening 9th February 2012

The Level 3 Beauty Therapy girls worked hard on Open Night . They carried out a demonstration of micro derma brasion, greeted visitors and discussed their experiences at college to prospective new students.
