## **Discretionary Learner Support Fund (dLSF) Policy for students aged 19+ 2015/16**

Discretionary Learner Support (DLS) is provided by the department for Business, Innovation and Skills to Colleges to enable them to provide financial support for learners with a specific financial hardship that prevents them from taking part in learning.

The College will use this to aid access, retention and achievement of eligible students on their chosen course.

It is available to students aged 19+ enrolled on an SFA funded course whose household income is below £25,521. (Parental income will not be taken into consideration but the income of any spouse or co-habiting partner will). It is not available to students aged 24+ enrolled on a programme eligible for the 24+ Advanced Learning Loan (please see 24+ Advanced Learning Loan Bursary document).

It is available to students if they are a "home student" ie have been resident in the country for three or more years.

The following 'categories' will be used when assessing a students needs.

- Hardship for those aged 19+.
- Childcare for those aged 20+.

The fund is not an entitlement and is dependent on the amount of funding allocated to the College each year.

### **Administration**

The College will use the allowed 5% of the DLS allocation towards administrative costs.

When making decisions about awarding DLS funding the College will take into account the availability of other financial support available for learners, for example Job Centre Plus or a Work Programme.

Payments will be dependent on an attendance level of at least 90%. Consideration will be given to mitigating circumstances such as: child protection, family illness, safeguarding concerns, caring responsibilities or any other issues that might affect attendance. Students must notify Student Services of any such mitigating circumstances as soon as they become aware there may be an issue. Where attendance is still deemed unsatisfactory or if no notification is made to Student Services, payment will be either withheld or reclaimed.

Payments will also be dependent on satisfactory behaviour i.e. no disciplinary action above Stage 1.

The College reserves the right to reclaim monies paid to students where information given on the application form is found to be false.

The College reserves the right to reclaim monies paid to students where the student has withdrawn before the end of the course.

It is the students' responsibility to tell the Department for Work and Pensions about any direct funding support that they receive from the College as payments received may affect their eligibility for some benefits.

The College, as per BIS guidance, will not use DLS to support the following:

- The purchase of essential equipment or facilities required by the learner if the learner is fully funded by us, as these things are already included in the funding rate.
- If the learner is eligible but it is more appropriate for them to receive support through Learning Support for the same purpose.
- If the learner is already receiving help with travel or childcare costs from Jobcentre Plus or a Work Programme provider in connection with pre-employment training.
- If the learner is in prison or a young offender institution, or has been released on temporary licence (RoTL), for example, on day release.
- If the learner is carrying out Community Learning, a higher education course, or provision with learning aims that are identified as fully funded from other sources.
- If the learner is receiving an income and does not have a financial need.
- Weekly attendance allowances

### **Application Procedure**

Students will need to complete an application form for assistance. Forms are available from Student Services or via the website [www.macclesfield.ac.uk](http://www.macclesfield.ac.uk).

Completed forms should be handed in to Student Services with all supporting documentation. The application will be delayed should the student provide insufficient evidence. Where a student is applying for Childcare support, official documents must be provided eg child benefit letter or full birth certificate.

A letter confirming eligibility for support will be sent within 15 days of receiving a fully completed application and you will be invited to attend a discussion about the support available and the conditions attached.

### **Hardship**

Hardship funding is provided to support vulnerable and disadvantaged learners and to remove barriers to education or training.

Learners will be supported based on their needs and local circumstances. Types of support available include the following.

- Course-related costs, including course trips, books and equipment (where these costs are not included in the funding rate), support with domestic emergencies and emergency accommodation
- Individual transport costs
- Examination fees (re-sits not included). Should the learner fail to attend an exam financed by the learner support fund they will be invoiced

- Accreditation fees, professional membership fees and any fees or charges due to external bodies
- Support provided by others, or by providing items or services or cash direct to the learner. This can be in the form of a grant or repayable loan (except asylum seekers who will not receive support in the form of cash but can receive a travel pass, course-related books and equipment)

## **20+ Childcare**

20+ Childcare funding is provided to support students aged 20 or older on the first day of learning who are at risk of not starting learning, or not continuing learning, as a result of difficulty getting childcare.

It is College policy that students should use registered childcare provision (we are unable to fund informal childcare, such as that provided by a relative)

Childcare will be calculated over a 44 week period and on this basis will cover half terms, Christmas and Easter holidays. DLS will not pay retainers over the summer holidays. The maximum weekly amount payable for any one child is £160 unless by prior arrangement.

The childcare allowance within the Child Tax Credit will be taken into account when assessing eligibility for support if appropriate.

Each student will be responsible for 5% of the bill up to a maximum of £25 each month.

The Student will be responsible for paying any deposit due prior to enrolling at College.

Student Services will notify the Childcare provider of the parameters of the funding. They will also be notified that all invoices must be addressed to the student and not the College and should include their registration number.

Should a student withdraw from their course the College will only be responsible for payment whilst the student was in attendance at College.

Where a student continues to use childcare provision after completing their course the student will be liable for all childcare costs.

Students aged under 20 on the first day of learning must be directed to the EFA 'Care to Learn' programme. DLS cannot be used to top up childcare payments for those receiving 'care to learn'.

## **Appeals and Complaints Procedure**

In the event of your application being refused by the College, you will have the right to appeal. This should be in writing to the Vice Principal: Curriculum and Quality, detailing the reasons for their appeal. A decision will be made within 10 working days and you will be notified of the outcome and reasons.

If you wish to make a formal complaint to the College a form is available from Reception or on our website [www.macclesfield.ac.uk](http://www.macclesfield.ac.uk)

For further help and advice about any aspect of applying for student financial support please contact Student Services on 01625 410000 Ext 523 or 514 or [wellbeing@macclesfield.ac.uk](mailto:wellbeing@macclesfield.ac.uk)
